

## **Kamaal Ho Gea lyrics English Translation Satinder Sartaaj**

The key to my heart has been found  
The blossoming aspiration has been found

The key to my heart has been found  
The blossoming aspiration has been found

The scent of the soul speaks for itself  
The sparrow of the desire chirps

The rebellious longings has broken up the jail of shyness

Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;

Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;

Yes, That's Amazing!!

This love is spreading the beams on the roads of life;

Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;

Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;

Yes, That's Amazing!!

On one side the procession of radiance is descended

On the other side the wall of affection is descended

On one side the procession of radiance is descended

On the other side the wall of affection is descended

My sleep is overwhelmed with the dreams

The moment I have seen in to the eyes of my lover

When the stars came and greeted us

Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;

Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;  
Yes, That's Amazing!!

The rainy season has mixed the abundant colors in the relationship  
I also mingled in a little shyness  
The rainy season has mixed the abundant colors in the relationship  
I also mingled in a little shyness

My yearnings advised me to garner the scattered desires  
Preserve the joy of life  
When I look into the souls with profoundness  
Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;  
Yes, That's Amazing!!  
It is putting the gaiety in my desolated thoughts;  
Yes, That's Amazing!!

See, the senses are blown away  
When the intoxication climbed up, all enthusiasm vanished  
See, the senses are blown away  
When the intoxication climbed up, all enthusiasm vanished

The entire world is looking like a magic  
I am feeling this kindness because of my beloved one

When Sartaaaj came & he made the eye contact  
Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;  
Yes, That's Amazing!!  
It is putting the gaiety in my desolated thoughts;  
Yes, That's Amazing!!

This love is spreading the beams on the roads of life  
Yes, That's Amazing!!

It is putting the gaiety in my desolated thoughts;
